Our monthly game at Reading did not attract the numbers that we hoped with a total of 86 players on the day, the course itself was in good condition and as always we were warmly welcomed by the staff of Reading. It is of obvious concern that the numbers were so low, something we are looking into as a committee.

Boland anniversary was well supported by Gauteng, Erinvale is an absolute beautiful course, well manicured and in pristine condition, Boland pulled out all the stops and hosted a fantastic weekend. Congratulations to Schalk Liebenberg and his team on their silver Jubilee and a hugely successful anniversary.

The last tour of the year is upon us, Swaziland nationals, for those who have not had the good fortune to participate in the Swazi nationals, it is one of the best, with a fantastic cowboy bar, great course, excellent facilities and the Swazi boys really go the extra mile to make it memorable. A Nationals I would highly recommend.

We are also 6 weeks away from our gold / x mas cup. The culmination of our year. Entries will be going out within the next week and I urge you to please send entries back asap in order for us to finalise our planning.

Play well, hit long and straight
See you all at Krugersdorp

Reading was a “fast track” experience for everyone as the greens were quite something to contend with. Although I did not play, the comments from everyone coming to halfway house told the story! The winning points also said it all.

It was our lowest numbers of players year to date at a game by far which was disappointing. We really need to support our monthly games as it influences our numbers for the various National championships.

We are currently looking at our game venues for next year and will certainly consult the results of the survey we received back from everyone.
We always try to give Nomads what they ask for as happy members make a happy club!

I am looking forward to playing at Ruimsig after my knee operation.
I had some time to practice and hope it pays of.

See you all there!

# JVC Gums it !!

Where are the days when Reading was less than 2km from my home……

It was a great day and the course was challenging as always.
Starting went very well and I would like to thank Mike Perkin and Greg Yeoman for assisting, they were getting the guys off nice and early.
Also thanks to Gary Clarke who was our 4th in our fourball,
what can I say we all had good times and bad times,
but the company was the best….

Well done to Paul Wilson with his hole in one, the round on you afterwards was enjoyed by all !
Unfortunately when and where it's going to come is a mystery, but always great to get it at a Nomads monthly.

The end of the year is almost upon us,
can't believe the next time we meet is at our October game at Ruimsig, see you all there!!!
Cheers
